Status of Implementation Plan

Implementation Plan Goals and Strategies

GOALS

1. Efficiently use jail capacity
2. Incorporate reentry principles into in-custody programming
3. Incorporate evidence based practices into sentencing, supervision and case management of offenders

COMPONENTS

1. Enhance Pretrial Processes to More Effectively Utilize Jail Capacity
2. Improve and Streamline Felony Settlement
3. Encourage Evidence Based Practices (EBP) in Sentencing Felony Offenders
4. Alternative Custody Options and In-Custody Programming
5. EBP Supervision and Intervention Services for Post Release Offenders

1. Enhance Pretrial Processes to More Effectively Utilize Jail Capacity

Strategy

- a. Modification of Bail Schedules
- b. Consider reducing bail for low risk offenders

Status and Recommendations

- ⦿ Participate in annual process to review and evaluate bail schedule each August
- ⦿ Pending legislation may alter bail schedules.
- ✓ Booking Criteria Modified 5/1/12 (Completed)

1. Enhance Pretrial Processes to More Effectively Utilize Jail Capacity

Strategy

- c. Use of Electronic Monitoring, Home Detention, Alcohol Monitoring, and GPS for pre-trial offenders

Status and Recommendations

- Ghost Process – reviewed potential pre-trial cases for month of April
- **Recommendation:**
 - Add Work Furlough and EM to menu of options currently available at Felony Arraignment, i.e., OR or Supervised OR
 - Continue to use Pretrial Services to provide reports to Court, DA/PD. Determine how County Parole and Alternative Custody unit (CPAC) and PTS will coordinate to monitor offenders released on EM
 - Study the effects of EM for possible expansion and use of assessments
 - Approve funding for EM

2. Improve and Streamline Felony Settlement

Strategy

- a. Reduce number of hearings using early settlements and immediate sentencing

Status and Recommendations

- ✓ Expedite resolution of Prop 36 and PC 1000 cases
 - ❑ Central began in April
 - ❑ South Bay began May 22
- ✓ Early Resolution of low level felony offenders at Readiness
 - ❑ Placed probation officer in Central disposition department
 - 🕒 **Recommendation:** Expand countywide

2. Improve and Streamline Felony Settlement

Strategy

- b. Expand Use of Existing Collaborative Courts

Status and Recommendations

- ⦿ Approve the funding for continuation and modification of population in Reentry Court
- ⦿ Create subcommittee to review expanded use of other collaborative courts

3. Encourage EBP in Sentencing Felony Offenders

Strategy

- a. Provide results of risk and need assessments to all sentencing parties
- b. Train all parties on alternative sentencing and best practices for recidivism reduction
- c. Utilize Split Sentences

Status and Recommendations

- ⦿ Create subcommittee to design template for providing information to Court, DA, Defense in PSI
- ⦿ Upcoming training
- ⦿ 17.5% of 1170(h) sentences currently
- ✓ Panel spoke to all branches.

4. Alternative Custody Options and In-Custody Programming

Strategy

- a. Expand Alternative Custody options

Status and Recommendations

- ✓ Residential Reentry Center (RRC) at Work Furlough began 4/16/12
- ✓ CPAC Unit at SDSO created
 - ⦿ Contract Signed with EM vendor
 - ⦿ Staffed
 - ⦿ Begin releasing sentenced probationers in mid to end of June
 - ⦿ COMPAS training on-going
 - ⦿ Study system-wide use and sharing of assessment information from arrest through sentencing and post-release
 - ⦿ *Approve funding for contract*
- ⦿ Fire Camp is not a viable option

4. Alternative Custody Options and In-Custody Programming

Strategy

- b. Expand in-custody programming

Status and Recommendations

- ⦿ Approve LRP Expansion Funding
- ⦿ Tie LRP Operations Committee to Workgroups
- ⦿ Create subcommittee to develop reentry process for sentenced 1170(h) defendants (full and split sentences)

5. EBP Supervision and Intervention Services for PROs

Strategy

- a. Probation Department will expand EBP supervision and intervention for PRO and Mandatory Supervision Offenders

Status and Recommendations

- ⦿ *Modify wording of plan to develop transitions (supervision and interventions) for all offenders released from custody*
- ✓ Created PRO Division in Probation
- ✓ Community Transition Center
 - ❑ 60 days from contracts
 - ❑ Offenders transferred to intake to be screened for case planning and intervention needs
 - ❑ Short term transient beds and detox
- ⦿ Approve Increased Probation Staffing Request

5. EBP Supervision and Intervention Services for Offenders Released from Custody

Strategy

- b. Procure medical, mental health and treatment services for offenders released from custody

Status and Recommendations

- ⦿ Assessments at intake by BHST
- ⦿ Add healthcare screening services to BHST
- ⦿ Add physical health linkages for acute needs
- ⦿ Create subcommittee of Workgroup 3 to develop linkages to intervention services (vocation, housing)
- ⦿ Approve additional treatment dollars

Performance Measures and Outcomes

Strategy

- ① Define Recidivism and Determine how to Track EBP
- ① Efficiently use jail capacity
- ① Incorporate reentry principles into custody programming
- ① Incorporate EBP into sentencing, supervision and case managements

Status and Recommendations

- ① Develop Standard Measures
- ① Develop Data Tracking System
- ① Report out Regularly
- ① Approve funding for 3rd party Evaluation

Recommendations

Where we should go next:

- Phase 1:** Plan for the immediate influx of new populations to supervise, house and treat
- Phase 2:** Study and evaluate criminal justice system as a whole to strategize on fixing the system to reduce recidivism for all populations
- Phase 3:** Data driven process for implementation
- Phase 4:** Automation of process, performance and efficiency measurement, improvement and outcome measures

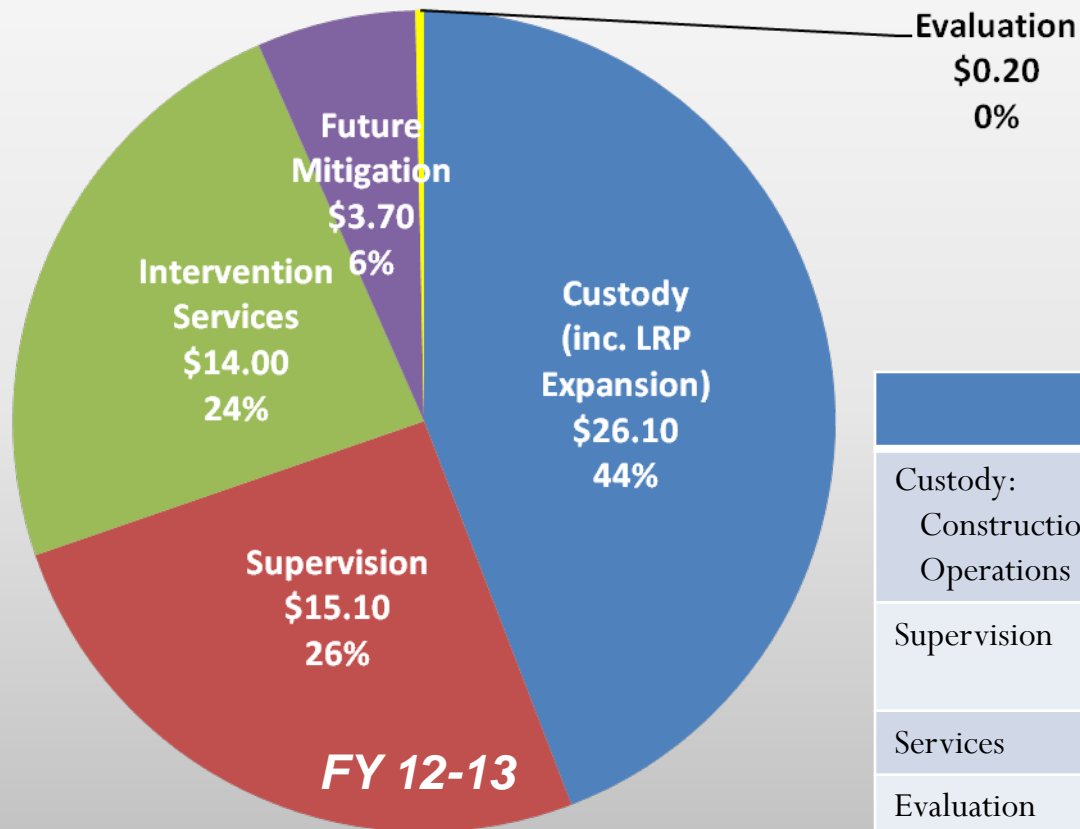

Summary of Recommendations

1. Offer Electronic Monitoring (EM) and Work Furlough (WF) as options at FA/Bail Review
2. Place probation officer in disposition departments countywide
3. Modify wording of plan to develop transitions (supervision and interventions) for all offenders released from custody
4. Study systemwide use and sharing of assessment information from arrest through sentencing and post-release
5. Approve creation of new subcommittees
 - a. Collaborative Courts (WG1)
 - b. Assessment information in PSI (WG1)
 - c. Reentry process for sentenced 1170(h) defendants (WG1/WG3)
 - d. Ancillary Services subcommittee (WG3)
 - e. LRP Operations Committee Collaboration (WG1/WG3)
